## Ordered to Take Charge.

George F. Turritin, who was appointed United States Surveyor General in the place of General Irish, has received orders from Washington to take possession of the office at once. Although receiving his commission several weeks ago, it was not Mr. Turritin's intention to take the place until the first proximo, as he had some business which required his attention and presence in Humboldt county. Last Thursday he received a telegram from Washington inquiring when he was going to take the office. He replied, not until the first of July unless he received orders to the contrary. Saturday evening a second dispatch came, directing him to take charge at once. The Grand Encampment of Nevada in Session

The Grand Encampment, I. O. O. F., of Nevada, met in Reno yesterday, and was called to order at 9 A. M., A. W. Hesson, G. O. P., in the chair.

Following are the Grand officers: A. W. Hesson, Grand Patriarch; John Lothrop, High Priest; H. P. Brown, Senior Warden; L. Guggenheim, Grand Scribe; F. C. Updike, Junior Warden; J. J. Baird, Grand Rep.; Wm. Pennison, Grand Sentinel; Ferd Ried, Grand Marshal.

After roll call the Encampment took a recess until 11 o'clock. Upon reassembling the Committee on

Credentials reported and the same was adopted.

The G. C. P. made his report, which was approved. The Grand Scribe's report showed that the encampment branch of the order is steadily increasing in membership. Grand Treasurer Tufly submitted his report which showed a healthy condition of the order's finances.

A very lengthy report was submitted by the Grand Representative on the large increase and fine military bearing of all Cantons Militant throughout the United States, and particularly upon the Pacific Coast. Adjourned to 2 P. M.

### Got Left.

There were about 280 pounds of distressed Dutchman at the depot Sunday morning. The Tentonic pligrim, just before No. 2 pulled out, appling in the distance the legend "BEER 5 CENTS," started off on a dog trot to the thirst quenchery to mois en his tonsils. Hastily dumping the contents of a schooner into the slot, he reached the door just in time to see the train pulling out. With phenomenal speed for one of his avordupois, he broke for the platform, reaching it just as the last car was about twenty fost away on its bounding course towards western tidewater. Casting an agonized and despairing look at the rapidly disappearing train he throw up his hands and in tones of heart-rending anguish, exclaimed: "Mine Gott! Mine Gott! mine vife is gone, vot shall I do?' The Journal reporter left him lying on a baggage truck bewaiting his appetite for his national beverage and roundly cursing the Fates which had separated him from his loving freu.

### The Execution of the Pottses.

Friday's Elko Independent says: The first legal execution of a woman on the Pacific Coast will take place in Elko one week from to-day. We do not consider it a matter which will reflect any credit on Elko county. The result is one to be deplored, and we trust that there may never be any occasion for a repetition of such a scene. The Sheriff will not permit any persons within the enclosure of the jail yard except those whose presence will be necessary to aid him in the performance of his unpleasant duty, and persons from the country are advised not to come into town on Eriday, the 20th instant, as no one will be permitted to see the prisoners on that day, much less to witness the execution. All necessary precautions have been taken to make the event strictly private, in accordance with law, and anyone who expects to get even a glimpse of the prisoners as they go from the jail to the place of execution will be disappointed. Our ad-When people can buy dry goods at giv- vice is: Stay away from Elko on Friday, Jane 20. 1890.

### Wants His Back Pay.

A census enumerator, not a thousand; miles from Carlin, says the Elko Free Press, tells us the following good one:

Yesterday I ran across an old Vet. He gave me his name, age, regiment, when he enlisted, etc., and then I asked him when he was discharged. His answer was: Bogora, boss, I want discharged; I just took a walk." A few hours after he came bank and said: "I say, Cay., while you are about it you might as well write and tell them there is three months' pay due me and I'm broke and want them to send it right away to me." I promised to attend to it immediately.

Another enumerator says: One young lady answered she was neither married nor single, but was engaged.

### Douglas County Outlook.

The Genoa Courier says that while ranchers in the valley have sustained heavy losses by floods they will gain 100 per cent, by having an abundance of water for irrigation. Some portions of the old grass meadows situated on the low land along the river have been covered with sediment to a depth that will make it impossible to mow them this year. This enrichment of the land, however, will be of inestimable value in future crops.

### A Pleasant Gathering.

The young friends of Hans Block and his new bride, by invertation of the newly married couple, convened at the Humboldt brewery Saturday evening and indulged in a social dance. Mr. Lemery, of the Arcade, got up the supper for the entire party of 64. The Journal was pleasantly remembered with a couple of the best quart bottles of Roederer.

### Found Dead.

James Ward was found dead in a cabin June 4, on Mt. Kearsarge, 12 miles west of Independence, Inyo county. Deceased was a native of England, 65 years of ago and had been a resident of Mt. Kearsarge for over ten years.

### A Fine Store,

A. Nelson's new cigar and tobacco store, west side Virginia street, will be ready for discretion in the matter, so the change will occupancy on the 25th inst., at which time

Both Shoulders Dislocated.

Yesterday morning, as Uncle Alf Hill was driving into town, the colt which he drove became frightened at something near the Court-house and while running at tremenduous speed across the bridge, the cart. to which he was attached, collided with a delivery wagon, throwing the old man out, and dislocating both of his shoulders. He was taken to Graves & Stevens, stable, where he received surgical attendance from Drs. Phillips and Dawsonwho placed the dislocated joints buck in their sockets. Uncle Alf, who is 78 years of age, stood the operation like a hero, never losing consciousness while under the influence of the ether which had been administered to him, nor flinching when the surgeons were tugging at his arms in their efforts to get the joints back in their places. After the operation. while lying upon his back in the hed, he sang with great pathos and feeling, the old hymn, "I'm Going Home." Notwithstanding his great aga, the physicians: think the chances are favorable for his recovery, while the putient, himself, seems to regard the accident as the morest trifle in the world.

-Of the People on-

SATURDAY, AUGUST 16, 1890,

For the purpose of electing delegates to the said State Convention the Primary Election to be car-ried out in compliance with the laws of the State and the instructions of this Committee.

The following test will be required of each and svery voter at the said Primary Elections.

"I am a causen of the State and will support the nominees of the Republican party."

The following resolutions were unani-mously adopted.

mously adopted.

Resolved, That this committee reaffirms the State and National Kepublican platform of 1888, including the declaration that "the Republican party is in favor of the use of both gold and silver as money" and that it "condemns all efforts to demonetize si.vor."

Resolved, That the persistent neglect of Secretary Windom to increase the coinage of silver to the maximum of four million dollars per month, coupled with his attempt to influence Congressional legislation so as to perpetuate silver demonetization, is a shameless volution of the silver plank of the National Republican platform, an attack upon the rights and interests of the miners, farmers and workers of the land, and an act of party perfldy that should call for his retirement from the councils of an Administration which is pledged to help and not to hinder the remonetization of silver.

Resolved, That the Republican party of this State is in favor of free and unlimited coinage of both gold and silver, that it holds to this principle as a tenet of party faith and a test of party allegiance, that it will permit of ne abandonment or modification of this doctrine, that let whoseever will prove

that it will permit of no abandonment or modifica-tion of this doctrine, that let whosever will prove recreant to the principle of bimetallism it will re-main steadfust thereto, and that it invites all voters in Nevasa who favor the repeal of the in-iquitous interlineated law of 1873 by which silver was demonetized, and who desire the establish-ment of free and unlimited coinage as the law of the United States of America, to join in electing delegates to a Republican State Convention
